USB 2.0 Hub with Swivel Port

Model # ACH62EU

The Targus USB 2.0 Hub with Swivel Port allows connection of up to 4 USB devices & includes 1 port optimized for use of wireless receivers. This rotating port allows the adapter to be positioned vertically for maximum RF performance. Plug and Play functionality ensures this hub is simple and easy to use. High Speed USB 2.0 connectivity gives you fast (up to 480Mbps!) and reliable data transfer to a variety of devices. Supports USB 2.0 High Speed devices including Mouse, Printer, Digital Camera, PDA and Storage.

KEY FEATURES

- Supports USB 2.0 high-speed data (40 times faster than USB 1.1) transmissions
- One USB port rotates 180˚. Ensures maximum RF performance for any type of wireless USB adapter
- Plug and Play – Hot swap peripherals without rebooting your computer.
- 4 High-Speed USB ports ensure easy connection for mice, keyboards, keypads etc.
